- Row 1: Highway (solid line with cross-ticks), Pipe/Power Line (line with small squares), Stream/Shoreline (blue line with wavy dashes).
- Row 2: Secondary Road (solid line), Ridge/Physical Feature (line with small triangles), Intermittent Stream (blue line with wavy dashes).

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

¹ A * * * following a place name indicates that the place is coterminous with a MCD. A * * * indicates that the place is also a false MCD; the false MCD name is not shown.

² A * * * following a block number indicates that the block number is repeated elsewhere in the block.

Figure 1 shows various map symbols and their corresponding labels. The symbols are arranged in a grid-like fashion.
